***The Last Kids on Earth and the Monster Dimension*** by Max Brallier  
9780008638115 / Farshore / PB / R180

The last kids may have escaped the forbidden fortress by the skin of their teeth, but there isn't much to celebrate. Thrull has what he needs to complete the Tower, Rezzoch will most certainly come to Earth, and the world as they know it will cease to exist. Except Jack's Cosmic Hand is now even more powerful than he realized, and it might just be able to stop the inevitable from happening. To get the answers he seeks, he'll need to travel farther than he's ever been.

He must go... to the monster dimension! Told in a mixture of text and black-and-white illustration, this is the perfect series for any kid who's ever dreamed of starring in their own comic book or video game.

***Four Good Liars*** by Sarah Wishhart  
9780008641955 / HarperCollins / PB / R270

Layla. Kai. Liam. Fliss. Terrified big sister. Troubled surfer. Insecure genius. Pampered princess. They have nothing in common, except they were all on the school bus that morning. The morning of the crash. The morning they discovered the dead driver's holdall, containing one million pounds – and a gun. All of them have secrets, and all of them need that money. But someone dangerous is hunting it down and drawing closer every minute. If Layla, Kai, Liam and Fliss want to survive, they'll need to stick together. But can four good liars really trust one another? Or are some truths just too powerful to stay buried...?

***A Good Girl's Guide to Murder Collectors Ed*** by Holly Jackson  
9780008653149 / Farshore / HB / R499

A stunning collectors edition of the first book in this bestselling, award-winning series, presented in a beautiful hardback format with an introductory letter from the author, sprayed edges and a ribbon bookmark. The case is closed. Five years ago, schoolgirl Andie Bell was murdered by Sal Singh. The police know he did it. Everyone in town knows he did it. But having grown up in the same small town that was consumed by the crime, Pippa Fitz-Amobi isn't so sure. When she chooses the case as the topic for her final project, she starts to uncover secrets that someone in town desperately wants to stay hidden. And if the real killer is still out there, how far will they go to keep Pip from the truth ... ?

**Didn't See that Coming** by Jesse Q. Sutanto  
9780008501495 / Farshore / PB / R270

A hilariously fresh and romantic send-up to *You've Got Mail* about a gamer girl with a secret identity and the online bestie she's never met IRL, until she unwittingly transfers to his school. Seventeen-year-old Kiki Siregar is a fabulous gamer girl with confidence to boot. She can't help but be totally herself... except when she's online. Her secret? She plays anonymously as a guy to avoid harassment from other male players. Even her online best friend, a cinnamon roll of a teen boy who plays under the username Sourdawg—doesn't know her true identity. Which is fine, because Kiki doesn't know his real name either, and it's not like they're ever going to cross paths IRL. Until she transfers to an elite private school for her senior year and discovers that Sourdawg goes there, too. But who is he? How will he react when he finds out Kiki's secret? And what happens when Kiki realizes she's falling for her online BFF?

**The Do-Over** by Lynn Painter  
9781534478879 / Simon & Schuster / TPB / R365

After living through a dumpster fire of a Valentine's Day, Emilie Hornby escapes to her grandmother's house for some comfort and a consolation pint of Ben & Jerry's. She passes out on the couch, but when she wakes up, she's back home in her own bed and it's Valentine's Day all over again. And the next day? Another horrendous V-Day. Emilie is stuck in some sort of time loop nightmare that she can't wake up from as she re-watches her boyfriend, Josh, cheat on her day after day. In addition to Josh's recurring infidelity, Emilie can't get away from the enigmatic Nick, who she keeps running into—sometimes literally in unfortunate ways. How many times can one girl passively watch her life go up in flames? And when something good starts to come out of these terrible days, what happens when the universe stops doling out do-overs?

**People to Follow** by Olivia Worley  
9781444976090 / Hodder / PB / R235

Ten social media stars think they're about to join the cast of a hot new reality show.

But the production crew never shows up, and the influencers find themselves stranded on a deserted Caribbean island with no contact with the outside world - except for messages from the mysterious 'Sponsor', who is threatening to expose their darkest secrets.

When one of them winds up dead, things start to get more real than they bargained for . . . With the body count rising, the influencers must figure out who is trying to get them cancelled - like, literally - before their number one follower strikes again.

***Nightbane (The Lightlark Saga Book 2)*** by Alex Aster  
9781419760907 / Abrams / HB / R435

Isla Crown has secured the love of two powerful rulers and broken the curses that plagued the six realms for centuries, but few know the true origins of her powers. Now, in the wake of a crushing betrayal, Isla finds herself hungry for distraction, preferring to frequent Lightlark's seductive haunts instead of embracing her duties as the newly crowned leader of two separate realms. Worse, her fellow rulers haven't ceded victory quietly, and there are others in Isla's midst who don't believe her ascent to power was earned. As certain death races toward Lightlark and secrets from the past begin to unravel, Isla must weigh her responsibility to her people against the whims of the most dangerous traitor of all: her heart.

Alex Aster's intricate world expands after the riveting culmination of the Centennial games, delving more deeply into Isla's memories of her past, as her future hurtles toward two possible fates.
